

Flowers River Outfitters

Snack & Mix Requests

Flowers River will be providing evening snacks for their guests. Should you wish to add your own personal snacks and/or mix to your week at Flowers River, you should bring them yourself (as part of your 50 pound limit) or complete the form below. Please note that this is a NEW POLICY.

For ease of transition, we are providing the following detailed instructions for your convenience.

In order to make sure that your order is in camp when requested, please ensure that you follow the directions and timeline listed below.

- Order should be submitted **at least** 3 weeks before your arrival at camp
- Availability, brands and selection of items at the local Goose Bay stores will vary from week to week and will doubtlessly differ from what may be readily available in your home town. Please take that into consideration as you make your requests.
- Be as specific as possible and give multiple back-up options, should your first choice not be available at the time your order is filled.
- Once completed (including your full name and fishing dates), email your order form (with "Snack ORDER" in subject line) to fishinglabrador@gmail.com . It is recommended that you request email confirmation of your order, to ensure that it was received.
- Our Flowers expediting staff (in Goose Bay, NOT in camp) will collect amount owing from you when you arrive in Goose Bay.
- It is the angler's responsibility to follow up to ensure that the order request has been received for processing by Flowers expediting staff.
